Some of the details of One Moose include:

- Both men and women become one membership within the lodge.
- This means equal voting privileges for men and women in their lodge home.
- The Loyal Order of Moose will now be known as the Moose.
- Some officers' titles will change as we move forward with One Moose.

One thing that will not change is the mission of the Moose. We must continue to strive for excellence in four areas.

- To provide for the needs of senior members of Moosehaven, FL.

From the Desk of the Administrator,

Hello Everyone & Happy Spring!

Congratulations to the newly elected Lodge and Chapter Officers for the 2021-2022 Moose Year. I am looking forward to working with you.

Many thanks to the 2020-2021 Officers, Chairmen and Co-Workers of the Lodge and Chapter. Thank you for your dedication and the many hours you have given. Please share your experience and knowledge with those that come after you.

This past year was filled with canceled events, postponements, disappointments and months of closures, yet we stayed committed and did what was necessary. Lets look to the new Moose year with expectations that the spread of Covid will diminish to a dribble and our events and gatherings will be enjoyed once again.

May 1, 2021 will be Moose history in the making. One Moose will become a reality. Every Moose member, male and female, will enjoy equal opportunity, an equal voice and an equal vote within the lodge. Going forward as one will enhance our commitment to Mooseheart, Moosehaven and our communities.

If you're interested in chairing or being on a standing committee of the lodge please contact Brian Holmes, the lodge President. Committees working with the officers of the Lodge can further our goals more easily.

Gaining and retaining membership is one of our important objectives. Everyone can help by sponsoring new members and by contacting members in arrears.

Parents and Guardians of students in the class of 2022, time is running out to apply for the Moose "Heart of the Community" scholarship program. Call the office for details.

Terry and Heather McIntosh are co-chairing the Golf Tournament once again. Save June 26th for the tournament. Get your entry forms in as soon as possible. If you can help the McIntosh's in any way please contact them or the office. This event is a major fundraiser for Mooseheart and Moosehaven (It's also a lot of fun!)

The patio expansion project is well underway. Mark Everson and Brian Holmes are obtaining the necessary state and municipal permissions and permits as well as working with contractors and related vendors.

I hope this issue of the Nugget finds all of you well . As we continue to make our way through the Covid-19 pandemic I urge you to continue to do what is best for you. The Lodge like everyone, is waiting to see what the new "normal" will be. We are members of Alaska CHARR and receive the latest changes to restrictions as soon as they are released and apply them as soon as possible. The social distancing and occupancy limits for groups are still in place

Please take care of yourselves and each other and have a safe summer!

Fraternally,
BJ Haas
Administrator

A Word from the Moose Legion Chairman,

As we start a new Moose year and the start of One Moose, I want to remind all of our male members about our Higher Degrees of Service. Many of you may already know about the Moose Legion along with the Fellow and Pilgrim degrees, but take a closer look at your membership card, are you a part of the Moose Legion? If not, why? You may be wondering well, why would I want to take part in that, its just meetings and extra money right? WRONG! Have you been to one of many events at the lodge? Summer Picnic, Super Bowl Party, these events could not take place without the Moose Legionaries! Did you know ALL male members qualify to be moose legionnaires as soon as they become a member? I would like to take this time to invite every male member that is not currently a Moose Legionnaire to join us in doing some good thing for someone each day!

I look forward to a great year as your Moose Legion Chairman for the 2021-2022 year and hope to see everyone at our monthly meetings on the first Sunday of the month at 10:30 am!

Fraternally Yours,
Michael Dyar

A Word From Our President,

Another Moose Year Passed, And a Covid year at that! Looking back, I see a difficult year but also many, many shining examples of our organization's great spirit, Moose spirit! Our leadership lead by Gov. Miller, his board, WOTM, and our administrator BJ Haas joined together to provide guidance, make some tough decisions and make a rocky path more easily traveled.. Our volunteers rose to meet the needs of our lodge, A special thanks to Volunteers of the year Colleen McNulty, Diane Brownlee & Michael Dyar! (There was another guy but his name escapes me just now!)

This year we monumentally move toward the completion of ONE Moose! As a long-time board member, I can wholeheartedly attest to the incredible relationship between WOTM & LOOM. With ONE Moose, this relationship will soar. Both sides benefiting from a closer, leveler playing field.

Speaking of the WOTM, Trish Callaghan & Diane Brownlee deserve special acknowledgment for their tireless work navigating this past year. Special Hooray & Thank You!

Now, to the future, with caution. Our Lodge is OPEN for business! That means everything it has historically meant, Fun, Fun & Fun!!!!

Soon, we will be breaking ground on our beautiful new exterior service area. Mark Everson will be driving the project as the Building Committee Chairman. We look forward to member input. Additionally, there are still positions available on the building committee. Come Join Us!

Golf is back & so is our 30th Annual Charity Golf Outing. Put your green-friendly spikes on, create your team & join us on Saturday, June 26 for 18 holes at Moose Run Hill Course! Don't forget to join us back at the lodge for the banquet! This is a major fundraiser and we appreciate all the participants, volunteers, and those who donated to make this such a great success!

Our Annual Lodge Clean Up is May 15th and 16th. The yard and forest are near and dear to my and the little Amigo's heart. We thank you in advance for your support of this event!

And that's far from what's a-coming. Mothers Day Sunday, May 9th WOTM Moms Eat Free, Fathers Day Sunday, June 20th LOOM dads same same on the Free Eats! As you all know as activities go, this is just the tip of the iceberg. I'm humbly excited to be the first President of ONE Moose. Let's roll up our sleeves & get to work! It's going to be a great year!

Fraternally Yours,
Brian Holmes

A Word From Our Past Governor,

I would like to thank everyone for all the support you have given me in the last ten months as your governor. This past year was trying for everyone from Covid-19 mandates to closures, plus we lost several brothers & sisters, may they rest in peace.

We have been busy after we opened back up though. I want to thank EVERYONE that has come out to our Bingo Sundays! By the end of April, we had raised over \$30,000 for local organizations and projects for the Moose Lodge. With the upcoming outside patio project, (about \$70,000) we will need to have some great fundraising efforts. With fundraising dinners and raffles, we can do anything! Our new patio will be one of the best in Anchorage, if not Alaska.

This past year we had a couple members to receive honors. I would like to personally congratulate Terry McIntosh on his appointment as Deputy Supreme Governor for Alaska, Connie Haas on her appointment to the WOTM Grand Council and Ken Deitz on receiving the Lifetime Achievement award. When you see Terry, Connie and Ken, please tell them how much you appreciate their hard work.

In closing, I want to thank everyone for the time I have had being your LAST Governor and all the board members that made my time go by so fast. I am sure you will all remember our “Special Meetings” ;-)
Good luck to the FIRST One Moose 2021-2022 Board of Officers!

The Moose will once again partner with NASCAR driver Ross Chastain and the Chip Ganassi Racing (CGR) team to help promote the Fraternity throughout North America. Chastain, who flashed the Moose Fraternity logo during three NASCAR Xfinity Series races and one Cup Series race last year, has moved to the Cup Series full-time in 2021 as he races the CGR No. 42 Chevrolet Camaro ZL1 1LE for the entire season.

The Moose will be the primary sponsor for four races during the current season, and an Associate Sponsor for a minimum of 18 additional races throughout the year. Further, the Moose will have a personal services agreement with Chastain, a member of Tice and the Shores Florida Moose Lodge 1297, for the entire season.

A Message from Chapter 139:

It's a new year and a new One Moose!

It seems with the transition to One Moose, there have been many questions and concerns about why we still need a Chapter. Here is a great response from Denielle Baile, Women of the Moose Executive Project Manager. I hope this helps those who are questioning why their membership in the WOTM Chapter is still very important.

Fraternally,

Anchorage Chapter Board of Officers

NEW WOTM Chapter Meeting Date
3rd Tuesday of the month @ 6:30pm

What is the benefit to still having a Chapter after May 1 when we all merge into One Moose?

The perceived benefits will depend on the individual member - does she want to serve in a leadership role? Does she have a desire to maintain or earn higher degrees? Is she interested in attending chapter meetings or participating in chapter-only events/activities? Does she want to serve the organization at another level?

Some women enjoy the opportunity to socialize with other women. From an organization perspective, our Chapters are vital in securing the future of Mooseheart and Moosehaven - chapter contributions provide funds for specific needs (114 projects) at our campuses. The WOTM fund the music program at MHT and beauty shop at MHVN as well as make significant contributions to the scholarship program. Chapters support our Moose homes in a variety of ways and actively organize and participate in community service projects.

Chapters offer an opportunity for women to gather and celebrate accomplishments, provide support, empower and uplift one another and recognize the efforts of other women. All that said, should we not be encouraging the same types of efforts, support, camaraderie, recognition, and unified participation on the Lodge level? Absolutely we should. The One Moose concept and initial inception will not please every member in every aspect.

The One Moose committee was tasked with designing a program that would best benefit the organization, our members and those in our care universally. Is every member going to 100% agree with every aspect of the new Moose program? No. Do our members have suggestions and opinions on changing the program? Sure they do. The committee had to consider all these factors, ideas, opinions, concerns and complaints to come up with a program that would be agreeable and passed by the membership as a whole.

Will changes be made in the future? probably - that's how The Moose will grow and adapt. So, in the end, your membership will be what you make of it. Each member will determine his or her level of participation; which can change over time. Of course, I optimistically hope our chapters thrive, grow and are appealing to current and perspective members. But, if at some point in the future, the Chapters and Moose Legions merge into some type of Higher Degree unit to better support our overall mission and the desire of our membership, I am ok with that too. Personally, I believe that is a possibility but other members believe our current structure is appealing and beneficial and they aren't in favor of changing our traditions.

It's a matter of opinion on an individual level - it's a matter of doing what is best for our kids, our senior members, our communities and one another on an organizational level.

I wish each of you peace in determining what Moose membership looks like to you and how you can be part of the change, the future and the overall mission.

Denielle Baile

Women of the Moose Executive Project Manager
